GET BEST BID

Gain Efficiency and Savings

Realize significant savings and gain efficiency by using Get Best Bid for all of your bid requests. This online Web portal streamlines the bid-to-award process so you get the best possible price for the items and services you need. Submit bid requests for your organization, and connect with other buyers through co-operative bid requests to enhance your buying power and ensure maximum savings—the choice is yours. What's more, with advanced reporting functionality you can create and submit savings and bidding reports to administrators and other parties.

And it's all offered to buyers at no cost.

Dynamic Environment & Functionality

Get Best Bid's dynamic purchasing environment forces prices down, so you get the best prices for all of your needed items. Gone are the days of manually contacting multiple vendors for bids on services and items—with Get Best Bid you can easily post, review, and award bid requests right from your personal

dashboard. What's more, when a bid request is posted, an e-mail notification is automatically sent to all registered vendors in the bid request category—you don't have to do a thing!

And vendors gain benefits too. As they come to bid, each vendor is instantly notified whether or not they are the lowest bidder, allowing them to adjust their bid accordingly to meet your needs.

Developed by Industry Veterans for Schools

Get Best Bid was developed by industry veterans who have vast experience with the bidding process and who understand the needs of schools. Today, Tyler Technologies continues to develop and expand the Get Best Bid portal to meet the needs of schools, non-profits, and other public sector entities of all sizes. Say goodbye to an inefficient and time-consuming manual bidding process and start realizing significant savings with Get Best Bid.

The screenshot shows the GetBestBid.com dashboard for a user named Judy. The dashboard includes a navigation menu on the left with options like 'Create a Bid Request', 'Summary of Open Bids', 'Log Out', and 'Contact Us'. The main content area displays a summary of bid requests: 'You have (1) bid request awaiting activation! Click on the Draft tab for more details.' and 'You have (2) bid requests ready to award! Click on the Pending tab for more details.' Below this is a table of bid requests with columns for ID, Description, Category, Organization, End Date, and Total Bids. The table shows two active bid requests: one for 'Copier Paper' and one for 'Basketballs'. A note at the bottom indicates that an asterisk (*) denotes a co-operative bid request.

BID REQUESTS
